

## Product Data Sheet

# Assured Alloy Wheel Cleaner

### Product Description

For use on all types of light alloy and steel wheels. The foam action cleaner clings to the wheels, softening the carbon brake dust making for faster cleaning of the heavily soiled areas. Leaves a bright and high class finish.

### Product Features

- Easy to use and highly effective against all the soiling's encountered with every day motoring.

### Direction for Use

- For heavy soiling spray neat and leave for a few minutes.
- Agitate surface to loosen heavy deposits.
- Rinse off thoroughly with clean water, either applied by pressure washer or straight from a bucket.
- For light soiling's, spray on and wash off immediately with clean water.

### Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

### Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

### Environmental Hazards

- Do not allow large quantities of neat liquid to enter surface waterways.

### Code Nos.

AHL057734

6x750ml
